

MANHUNT 2011 PRESS CONFERENCE

7 July 2011

If you were at True Fitness Suntec City on 7th July, 2011, you would have seen eight hot, topless guys being put through the True Fitness Circuit Challenge with Master Trainer, Wendy Cho.

The eight hunks are part of the top 20 finalists for this year's Manhunt Singapore 2011. True Fitness, one of the sponsors for Manhunt Singapore 2011, recently hosted the Manhunt Singapore 2011 Press Conference at our Suntec City branch.

Hosted by Choy (of the famed VJ twins May and Choy), the event started off with opening addresses from Manhunt 2011 Judge Samuel Seow and Paul Foster, Director of Manhunt Singapore 2011.

Then, we got to meet the guys! Decked out in their dapper outfits from HUGH, the eight contestants briefly introduced themselves before mingling with media guests.

It was then time for the guys to put their strength and endurance to the test with the True Fitness ViPR (Vitality, Performance and Reconditioning) Challenge! True Fitness Master Trainer Wendy Cho split the contestants into two teams and put them through a series of bicep curls, bazooka holds and lunges with the latest fitness tool, the ViPR. Definitely not as easy as it looked!
